Subject: We Need Proof to Finish Your Review

Dear Maria Testfamily,

We are reviewing your FoodShare case and need proof of some things before we can finish. Please provide the following documents:

- Proof of income for everyone in your household
- Proof of where you live, such as a recent piece of mail
- Proof of identity for the head of household

Your documents are due by September 22, 2026.

You can send your documents through access.wisconsin.gov or by contacting your agency. If we do not receive the requested items by the due date, your FoodShare benefits may change or end.

If a document is hard to get, or you have questions about your case or your QUEST card, call the FoodShare member line at 1-800-362-3002.

This letter is a fictional sample created for the GoodNext demonstration. It is not a real notice and contains no real deadline.
